## FOOD & DRINKS

### WINE

#### WHITE

##### **St. Felix, Cuvée Pierre Martin Blanc, Sauvignon blanc**

A pale yellow wine, with a refreshing aromatic character. Think green apples, pears and citrus. The wine is dry and juicy, and comes with a bite, thanks to the refreshingly bitter undertone.

**Per glass 5 / Per bottle 25**

##### **Cantina Gorgo Chardonnay Del Veneto**

This wine tastes like a day on the country side. It's colored like freshly yielded hay and tastes like flowers, fresh lemons and peaches. It has a lot of character, thanks to its firm structure and refreshing, acidic undertone.

**Per glass 7.5 / Per bottle 35**

##### **Esperanza Rueda Verdejo, Viura**

Tender and tempting, with slight hints of tangerine and grapefruit: that's the story of this wine. It comes in a crystal, lemon like colour. This fresh and juicy wine comes with a nice salty undertone.

**Per glass 6.5 / Per bottle 27.5**

#### ROSE

##### **St. Felix, Cuvée Pierre Martin Rosé**

This Rosé wine comes in beautiful pale pink and offers all the joys of freshly picked red fruit, like strawberries and raspberries. It's a very friendly and very 'practical' wine: thanks to the full structure and undertones of both nuts and herbs, you can drink this one all throughout the year.

**Per glass 5 / Per bottle 25**

##### **Portal Calcada Vinho Verde**

This joyful Portugese wine is made for the summer. It's colour is cherry red, which gives you a fairly sharp idea of its taste: a lot of red fruit, with a light, herby undertone. It's secret ingredient are almonds: this gives it a slightly bitter edge that brings the wine in perfect balance.

**Per glass 6.5 / Per bottle 32.5**

#### RED

##### **Domaine St. Felix, Cuvée Pierre Martin Rouge**

A nice and generous red wine. It has loads of black berries in its palette. The undertone of this wine is super smooth.

**Per glass 5 / Per bottle 25**

##### **Estate Tempranillo Joven Somontano, Spain**

Some wines just beg to be tasted, like this red one from Spain. It has a bright red colour and is full of taste: red fruit, caramel and even licorice! It's a rich wine, and also very nuanced. Pleasantly acidic. This red wine is also very tasty when chilled!

**Per glass 6.5 / Per bottle 30**

#### BUBBLY

##### **Cava**

**Per bottle 37.5**

##### **Prosecco**

**Per glass 7.5 / Per bottle 25**
