GARDEN OF BIRD

FOOD & DRINKS

WINE

WHITE

St. Felix, Cuvée Pierre Martin Blanc, Sauvignon blanc

A pale yellow wine, with a refreshing aromatic character. Think green apples, pears and citrus. The wine is dry and juicy, and comes with a bite, thanks to the refreshingly bitter undertone.

Per glass 5 / Per bottle 25

Cantina Gorgo Chardonnay Del Veneto

This wine tastes like a day on the country side. It's colored like freshly yielded hay and tastes like flowers, fresh lemons and peaches. It has a lot of character, thanks to its firm structure and refreshing, acidic undertone.

Per glass 7.5 / Per bottle 35

Esperanza Rueda Verdejo, Viura

Tender and tempting, with slight hints of tangerine and grapefruit: that's the story of this wine. It comes in a crystal, lemon like colour. This fresh and juicy wine comes with a nice salty undertone.

Per glass 6.5 / Per bottle 27.5

ROSE

St. Felix, Cuvée Pierre Martin Rosé

This Rosé wine comes in beautiful pale pink and offers all the joys of freshly picked red fruit, like strawberries and raspberries. It's a very friendly and very 'practical' wine: thanks to the full structure and undertones of both nuts and herbs, you can drink this one all throughout the year.

Per glass 5 / Per bottle 25

Portal Calcada Vinho Verde

This joyful Portugese wine is made for the summer. It's colour is cherry red, which gives you a fairly sharp idea of its taste: a lot of red fruit, with a light, herby undertone. It's secret ingredient are almonds: this gives it a slightly bitter edge that brings the wine in perfect balance.

Per glass 6.5 / Per bottle 32.5

RED

Domaine St. Felix, Cuvée Pierre Martin Rouge

A nice and generous red wine. It has loads of black berries in its palette. The undertone of this wine is super smooth.

Per glass 5 / Per bottle 25

Enate Tempranillo Joven Somontano, Spain

Some wines just beg to be tasted, like this red one from Spain. It has a bright red colour and is full of taste: red fruit, caramel and even licorice! It's a rich wine, and also very nuanced. Pleasantly acidic. This red wine is also very tasty when chilled!

Per glass 6.5 / Per bottle 30

BUBBLY

Cava

Per bottle 37.5

Prosecco

Per glass 7.5 / Per bottle 25
